RESERVATION DEPOSIT CONTRACT

It is our desire to be faithful stewards with that which God has entrusted to us and so it has come to pass that there is a need to have a contract in place to help us with our responsibilities to God and this Ministry as pertains to reservation deposits.

All deposits are non-refundable and are to be equal to your first night's lodging. That means the amount of your deposit guarantees that number of beds and a kitchen/meeting facility if requested and reserved. If you bring fewer people with you the excess deposit will not be refunded nor does it carry over to the next day! However, if you have pre-arranged it with the Ministry to bring additional people you will have to pay the additional charges for that first day.

Beginning on the second day of your stay you will be charged according to the actual numbers in your group. You will be charged for every day of this contract. No refunds will be given for early departures.

Payment is expected to be made upon arrival or in the case of late arrival the following morning.

Your deposit guarantees and confirms our previous communication regarding your reservation and without a deposit your reservation is subject to being given to another group.

Please fill out the form below and sign acknowledging that you understand and agree to our deposit policy and return with your deposit. Make checks payable to Melody Lane.
